

JVFS SERVICES (OPC) PRIVATE LIMITED

JVFS SERVICES: Complete Fire Protection Solutions

Safeguarding lives and property with comprehensive fire safety solutions. Your trusted partner in fire protection services.

Our Expertise

End-to-End Solutions

We handle every aspect of fire safety. Our services span from initial assessment to installation and maintenance.

Certified Professionals

Our team consists of certified fire safety experts. They bring years of experience to every project.

Regulatory Compliance

We ensure all systems meet NBC, IS Codes, and NFPA standards. Your property will pass every inspection.

Comprehensive Service Portfolio

Fire Alarm Systems

Early detection systems with installation and maintenance services. We use the latest technology for maximum reliability.

Fire Extinguishers

Supply, refill, and servicing of all types of extinguishers. We ensure they're always ready when needed.

Hydrant & Sprinkler Systems

Complete setup and maintenance of automatic suppression systems. Custom designs for your specific needs.

Additional Critical Services

Safety Audits

Comprehensive risk assessments to identify vulnerabilities. We inspect every corner of your property.

Maintenance Contracts

Annual maintenance to ensure system reliability. Regular checks prevent unexpected failures.

Fire Drill Training

Evacuation planning and practical training sessions. Your team will know exactly what to do.
